3. Signing up:

Enter in your user information, completing all required fields.

- All Learning Center profiles will require a unique primary email address. This email address will be used to communicate about Learning Center activity (course registration, payment confirmation, assignment updates, etc.). A secondary email can be provided to be copied on all communications associated with the primary account.
- Users must be 13 years of age or older to create a profile.
- The zip code associated with the account will help associate the user with the local state referee committee. This association will place the user on reports run by the SRC (ex: show me licensed referees in my area). Referees who register in a different state than their residential zip code will appear on both reports.
- Users who have certified in the past will be able to connect to their certification history and have it visible on their profile. The Learning Center will attempt to identify users based on first name, last name, date of birth and/or email address.

The screenshot shows the sign-up page for the U.S. Soccer Learning Center. The page has a dark blue header with the USA Soccer Learning Center logo on the left, navigation links for 'COURSES' and 'HELP' in the center, and 'SIGN UP' and 'LOG IN' on the right. The main content area is white with a light blue border. At the top of the form, it says 'Sign up' in red. Below that, a message states: 'You are just one step away from joining the U.S. Soccer Learning Center. Please fill in the form below to open your free account now. * - required fields'. A note follows: 'Please note: the personal information provided (name, date of birth, email address, etc.) must be those of the referee that will be seeking certification, not the details of a parent or guardian. For parents/guardians, there is a field for secondary email address if you wish to receive a copy of all email notifications that are sent to this user.' The form fields are arranged in two columns. The left column includes: 'Your Email *' (text input), 'Secondary Email ?' (text input, labeled 'Email of your parent or guardian'), 'Password *' (text input, with a note: 'Password must contain at least one capitalized character, one lower case character and one number'), 'Confirm Password *' (text input), 'First Name *' (text input), 'Last Name *' (text input), 'Gender' (radio buttons for Male, Female, X, and a 'What's this ?' link), and 'Phone *' (text input). The right column includes: 'Mailing Address' (text input), 'Apt / Unit / Suite' (text input), 'City *' (text input), 'State *' (dropdown menu), 'Zip *' (text input), and 'Country *' (dropdown menu, currently showing 'United States'). Below the 'Country' dropdown is a text box with the following text: 'U.S. Soccer invites you to self-identify your personal demographic information to help us fulfill our commitment to achieving a diverse and inclusive sport. Your response is completely optional, and the information you share will only be used to monitor and assess our progress in achieving our diversity and inclusion goals such as improving our recruiting, hiring and development practices across the sport. Providing this information is voluntary, but we hope you will assist us in our efforts to uphold these values.' At the bottom of the form, there is a 'Birthday *' field with a calendar icon and an 'Ethnicity *' dropdown menu with the text 'Choose Ethnicity'. A checkbox at the bottom right reads 'I agree to the Terms of Use'.

4. Editing profile information:

After signing up, you will be directed to your user profile. Users can:

- Edit their contact details (email, phone, address, profile picture, etc.)
 - o The user's name cannot be edited. Because the Learning Center pulls the profile name to the license templates, name change requests must be facilitated by U.S. Soccer. Users can file a help ticket with U.S. Soccer for such requests.
- Access .pdf copies of their current license and view a list of past certifications.
- Add other experiences related to being a referee to their profile. It should be noted that these experiences are entered by the user and are not verified or confirmed by U.S. Soccer.

The screenshot shows the 'Profile' page for a Referee Department user. The page has a dark blue header with the USA Soccer Learning Center logo and navigation links for COURSES, RESOURCES, and HELP. The user is logged in as 'REFEREE DEPARTMENT'. The profile page includes a 'Profile' section with a 'Switch to coach' link, tabs for PROFILE, PAYMENTS, and NOTIFICATIONS, and a green warning box stating that the profile is not publicly available. The profile details include a profile picture, name 'Referee Department', and birth date 'January 1, 1991'. The 'CONTACT DETAILS' section shows a phone number '+13125181217' and an address '1801 S Prairie Ave, Chicago, IL 60616, United States'. The 'U.S. SOCCER REFEREE LICENSES' section has a 'MISSING LICENSE?' button and a question 'Do you have any U.S. Soccer license already?'. The 'OTHER QUALIFICATIONS' section has a text input field and an 'ADD QUALIFICATION' button. The 'COACHING EXPERIENCE' section has a text input field and an 'ADD COACHING EXPERIENCE' button.
